

Dear FCC,

It has been brought to my attention that you are proposing to expand this service in a way that would allow the new LPFM stations to take priority over current FM translator service. If this happens I will lose my favorite radio station Air1 Radio. I have listened to Air 1 Radio continuously for about 3 years now and have been very happy. I no longer desire to channel surf. I am deeply upset by this possible change and ask of you to turn down your proposal.

Sincerely,
Kathleen Kattelman
